INDEX TO VOLUME I.

PAGE

A

Abstracts of papers:
- Australian Paediatric Association, 9th Annual Meeting 61
- 10th Annual Meeting 180

Accidental death in childhood 140

Addison's disease, primary familial 93

Adrenal hyperplasia, congenital retardation of skeletal maturation and linear growth in treatment of 84

Allen, T. and Wilson, J. G.: Prolonged endotracheal intubation in the treatment of respiratory disease (abstract) 65

Alymphocytosis: a case demonstrating plasma cell production (abstract) 182

Anaemia, iron deficiency; as preventable disease in an affluent community (abstract) 183

Anaemia, aplastic; varied pattern of (abstract) 183

Anderson, C. M.:
- *see* Burke, V., *et al.*
- *see also* Sindhu, S. and Anderson, C. M.

Aortic stenosis in childhood; techniques for measurment of pressure gradients in outflow tract of left ventricle 161

Aortography in childhood (abstract) 184

Aromatic compounds: toxicity; in early life (abstract) 64

Ataxia telangiectasia; immunological studies of two cases (abstract) 182

Australian Paediatric Association:
Proceedings of the
- 9th Annual Meeting 61
- 10th Annual Meeting 180

abstracts of papers read at
- 9th Annual Meeting 63
- 10th Annual Meeting 181

B

Battered-child syndrome 127

Beveridge, J.: Survey of paediatric education in North America (abstract) 182

Bianchi, G. N., see Choo, P. B. and Bianchi, G. N.

Blood glucose levels in premature infants; pre- and post-prandial 131

Book reviews:
- GAIRDNER, D.: Recent advances in paediatrics 179
- STEPHENS, F. D.: Congenital malformations of the rectum, anus and genito-urinary tracts 178
- Survey of child care in Victoria, 1960-64 178
- VENABLES, A. W.: Essentials of paediatric cardiology 178

Bowdler, D.: Aortography in childhood (abstract) 184
